

# Teachers: Viewing Effectiveness Data Quick Reference Card

## CIITS: Viewing Effectiveness Data

1. Roll your cursor over Educator Development on the navigation bar and click **My Profile**

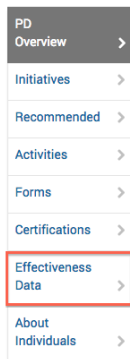

### Dashboard

A holistic overview of your professional development

**My Profile**

2. Click the **Effectiveness Data** tab in the Profile menu

3. The **Effectiveness Data** tab will show you data for the following COMPLETED sources of evidence: Observation, Self-Reflection, Student Growth Goals, MSGP, Student Voice, and Summary of Evidence (Note: PGP information does not display in this tab)

4. To view the completed data for a particular source of evidence, click the **View** button to launch a new window that contains the data of that source

Completed measures are listed below.

Show Data From

Observation						
Window	Observed	Modified	Status	Type	Reviewer	
Teachers by Peer	9/22/2015	9/22/2015	Completed	Full	R. Adams (Peer Observer)	<a href="#">View</a>
Teachers by Principal	6/26/2015	6/26/2015	Completed	Full	P. Principal (Leadership)	<a href="#">View</a>

Self-Reflection		
Window	Modified	Status
Teacher Self-Reflection	7/6/2015	Completed

Student Growth Goals			
Window	Modified	Status	Reviewer
15 - 16 Student Growth Goal	6/29/2015	Completed	P. Principal

5. To view data for COMPLETED sources of evidence in a previous year, use the Year Drop-down Selector at the top of the Profile

Show Data From

\* NOTE: The Effectiveness Data tab on a user's Profile is the only location where previous year Student Growth Goals (completed) can be viewed.
